## PRESIDENT'S ANNUAL REPORT 2017

It is my pleasure to present my President's report and our Club's 47th Annual Financial Report. It has been a solid year for our Club which has seen us achieve a net profit of \$469,986. Although this is a decrease on the previous year, it is still a pleasing result given the very competitive hospitality market we are operating in.

Community support continues to be a key focus for us, with many local sporting clubs, community groups and other organisations sharing combined community contributions of \$210,000 for the past year. It gives me great pride to see young and old taking part in their chosen endeavours with the assistance of The Milton Ulladulla ExServos Club. The more these groups and the community support our Club, the more we can ensure continued support to all deserving organisations.

The past year saw the retirement from the Board of Directors Mark "Richo" Richardson, who served on our Board for 17 years and played a pivotal role in taking our Club from the Old Club to the market leading building we have today. The Board and I thank you Richo for your dedication, passion and vision that has played a major role in our Club being on such a firm footing.

We have continued with our Strategic Planning process that has been in place for the last 7 years and which continues to act as the backbone of our decision-making. Part of this plan is Club renovations that has seen the commencement of stage one of the Master Plan and will continue to lay a foundation for the Clubs' future.

This year has seen the Milton Ulladulla ExServos Club and Shoalhaven City Council sign an agreement for our Club to provide management of the Civic Centre, which involves the operation of the centre including Functions and the Café. We are committed to promoting the Civic Centre to increase usage for the benefit of the whole community.

I am disappointed at the number of people that have been requested to front the Board due to inappropriate behaviour within our Club building and grounds. The Board has, and will continue to issue long suspensions. I will make no apologies for this, as the safety of all Staff, Members and Guests is something that the Board will not compromise on.

On a more positive note, to our Welfare Officers Maggie Warren and Annie Alexander, our Board, Staff and Members thank you for the continued outstanding service you provide.

Our membership level reached almost 17,000 in the last financial year. A big thank you to all of you for your continued support of our Club. We will continue to provide a market leading venue that has the best to offer. As mentioned above, the Board has a Master Plan to ensure we have a venue that is modern and run by passionate people from the Board level down.

To Darryl Bozicevic, our CEO; your work ethic, passion and commitment is second to none that I have seen in our industry. The work load that you have undertaken in the past year with a variety of different projects coming to a head at the same time has been extreme at times. The Board and I thank you for continued efforts.

The management team of Matt, Alison, Belinda, Pia, Paul, Marlee, Kirstyn and Michelle is a credit to our Club. Our appreciation is with the entire team for another strong year. To all of the Staff and Supervisors, thank you for your efforts. It is a pleasure to walk in at any time and see happy, committed, confident people representing the ExServos brand with pride.

To all the Directors of the Board; Annie Steel, Simon Law, Brain Wilkins, Ted Wild, Paul Warren, Tony Ireland and Mark Richardson (retired). Thank you for your ongoing commitment to the roles you have taken on. The role of Director is one that is continually growing in terms of the governance requirements, with extensive training now required to be undertaken. Again, thank you for the time you have spent around the Board table, attending training, functions and other Club commitments.

Thank you to all involved in our Club from Members to Staff. I look forward to seeing you regularly in our great Club.

Regards,

## SECRETARY MANAGER'S REPORT 2017

On behalf of the Board of Directors and I, it is with pleasure that I present to you our Club's 47th Annual Financial Report for the year ended 30 June 2017 as Secretary Manager.

The Club's financial performance over the year has allowed your Club to achieve a net profit of \$469,986, which is a 20.8% decrease of \$123,337 against last year's result of \$593,323. The revenue from ordinary activities increased by \$394,136 which is an increase of 4.3%.

We have seen our expenses increase this year by \$517,473. This is due to number of reasons and the major increases are as follows. Firstly we increased the number of and value of promotional activities throughout the Club with an increased spend of \$276,633, a 12.3% increase on last year. We are continuing to update our plant and equipment; this, combined with the commencement of stage one of the Master Plan has meant an increase in depreciation of \$53,177, which is an increase of 7% on the previous year. As many of you will be aware, we also commenced production of the "Local Express", which has resulted in an additional spend for the year of \$140,631. There are also constant rises in the cost of goods from our suppliers and last year saw the cost of goods increase by \$67,886; a 5.19% increase on the prior year.

Our membership hit another all-time high of 16,900. We believe our membership continues to grow due our Real Rewards program. I would like to thank members for using your Real Rewards cards; we continue to listen to your feedback, which helps us improve our service, products and the program. It's great to see members enjoying the program and taking advantage of the benefits on offer.

The balance sheet has seen a revaluation of assets; as you will be aware we have knocked down the two houses that were on the property next to the Club. One lot is now being used for parking and the other one will be for more parking as part of the Master Plan. This has resulted in the Club requiring a formal revaluation and as a result the land value has increased by \$1,461,136 and the building value has increased by \$797,635. Our overall Net Asset position as at June 30 2017 is an increase of \$2,728,757.

The Club continues to be a big part of the community and we are strengthening our relationships with a lot of community and sporting groups by committing to longer term arrangements. We encourage all of the sporting clubs and community groups/associations to visit the Club and support the Club that supports them. We support many events and sporting groups as they also bring visitors to our great town and Club. The Club continues to support many local community groups and education initiatives and is a big supporter of fundraisers. This year the Club has contributed back into the community \$210,000.

This year we have continued our relationships within the community and are proud of the Club's continued relationship with the RSL Sub-branch. We made some enhancements to our memorial area and held another very successful Anzac Day dawn service; thank you to everyone who attended. The RSL Day Club continues to be a great success and again this year, we are sending three high school students from Ulladulla High on the Kokoda trek; what an exciting trip and experience this will be for them. I am looking forward to hearing about their experience.

Last year's report mentioned the Board's Strategic Planning session. This year the Master Plan was submitted and finally approved by Council and the commencement of stage one began in August 2017. The Board has continued to focus on debt reduction to ensure the Club can implement the Master Plan construction work and expansion of the Club. This year we have achieved a reduction

in our interest bearing liabilities of \$569,406, leaving our BankWest commitment at \$2,271,196. Next year we will see this increase due to the construction of stage one of the Master Plan, by approximately \$2,500,000.

This year Shoalhaven City Council and the Club signed off on a three year agreement for the Civic Centre Management, Café and providing food and beverage services to the functions that are held there. Michelle Babington, our new Civic Centre Manager is doing a great job and is settling in extremely well.

We look forward to working with the community and growing the occupancy of this great facility. This community asset has seen increased usage throughout the year and I believe Council are pleased with the work we have put in. More importantly, the majority of feedback from the community has been positive. Thank you to everyone involved for your support and thank you to Council staff and Councillors for their support and assistance in making this joint initiative successful.

To the Board of Directors: A huge thank you to Mark "Richo" Richardson who stepped down this year. Mark gave 17 years' service to the Board and Club and has been the "go to" man for "Mr Fix it" jobs! His contribution, knowledge and input into the building of the "new Club" was instrumental in its completion and success.

To the rest of the Board: President William Drury, Vice Presidents Annie Steel and Simon Law, Directors Brian Wilkins, Ted Wild, Paul Warren and Tony Ireland (our new Director who has replaced Mark Richardson); I would like to thank you all for your support in what has been an extremely busy year. The Board's vision and commitment to the Strategic Plan and enhancing the Club for the future is to be admired by all Members. The Management and Staff thank you for your time, passion and commitment. Sometimes we can forget that your time is voluntary, which makes it even more appreciated. The direction and support you provide to me and the team is outstanding. Thank You!

To all our staff; thank you for your continued commitment to the ExServos Club. We are building a united team that is focused on delivering great products and services with a friendly smile. I encourage you to continue to look for improvements in our service standards. It takes a team to make a Club successful and everyone has a role to play. Let's keep striving to be the best!

To the management team of Matt, Alison, Belinda, Pia, Paul, Marlee, Kirstyn and Michelle; wow, what a year we have had and where has it gone? Congratulations and thank you all for your contribution this last year. Your support of me and your commitment to the Club is greatly appreciated. We look forward to what is shaping up to be another exciting year with some big goals and plans coming to fruition. Thank you again! To those that have, or are departing us; Steve, Eliza and Pia, thank you so much for all you've done and we wish you all the best for the future.

To our other key staff: Judy, in Accounts, Rod, Trevor and Michael in the Cellar/Maintenance; thanks for your efforts. To our Club Supervisors, Cecilia, Robert and George, thank you. To our Co-ordinators, Gabe and Cara, thank you also for your efforts this year.

To the Club's Caterer Sally Stewart and all the Stewarts Catering team; thank you all for your efforts and commitment to Club. To Sally in particular, a special thank you. Together we continue to look at ways to improve and whilst we have some robust discussions at times, I thank you for your passion, honesty and commitment to making this a better Club each year. We continue to strive to build a cohesive team environment with great food and customer service offerings.

To our members; "Your Local Club, Supporting our Local Community" is such a great tag line and one that I am very proud of. Our Club has grown so much in such a short period of time. Consolidation, planning for the future and looking for further growth opportunities is a balancing act, but I can assure you that the Board, Management and Staff are always striving for continued improvements to cement our future. Even though we reached almost 17,000 members this year, we still pride ourselves on a personable approach with our members and hope that you continue to support what we have built and are continuing to build for the future. On behalf of the Board of Directors, Management and Staff I would like to thank you for your support and continued commitment and loyalty to the ExServos Club.

To repeat myself from last year; our Members and Staff are what make this Club the warm and friendly Club it is today. We look forward to the future and the continued support of you, our Members. We will continue to strive to provide you with the best facilities, products and services that we can and most importantly, our friendly smiles will always be here waiting to greet you!

The Club's best asset, which cannot be shown on a profit and loss statement or balance sheet, is our Members and Staff. I cannot thank you all enough and look forward to the future and particularly the next 12 months.

With the festive season nearly here again we ask that you remain safe and be festive! I wish you all the best for the coming year. My sincere regards and best wishes to your family and friends.

I look forward to seeing you, your family and friends in our Club again soon.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The significant policies which have been adopted in the preparation of this financial report are:

**a i) Basis of Preparation**

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards and the requirements of the Corporations Act 2001.

It has been prepared on the basis of historical costs and does not take into account changing money values or current valuations of non-current assets.

**ii) Statement of Compliance**

The financial report complies with Australian Accounting Standards, which include Australian equivalent to International Financial Reporting Standards (AIFRS). Compliance with AIFRS ensures that the financial report, comprising the financial statements and notes thereto, complies with International Financial Reports Standards (IFRS).

- The Financial Statements were approved by The Board of Directors.

**b Property, Plant and Equipment - Note 10**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of property, plant and equipment excluding freehold land, roadwork and carpark are depreciated over their estimated useful lives.

Depreciation is calculated on poker machines and buildings by the straight line method at depreciation rates of 20% and 2% respectively. Depreciation is calculated on other assets by the reducing balance and straight line methods at depreciation rates of 7.5% to 60%.

**c Recoverable amount of non current assets valued on cost basis**

The carrying amounts of non-current assets valued on the cost basis are reviewed to determine whether they are in excess of their recoverable amount at balance date. If the carrying amount of a non-current asset exceeds its recoverable amount, the asset is written down to the lower amount. The write-down is expensed in the reporting period in which it occurs. Current valuations for land and buildings are carried out every three years.

Where a group of assets working together supports the generation of cash inflows, recoverable amount is assessed in relation to that group of assets.

In assessing recoverable amounts of non-current assets the relevant cash flows have not been discounted to their present value.

**d Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a net basis.

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

### Opinion

We have audited the financial report of the Milton Ulladulla Ex-Servos Club Limited (the Entity), which comprises the statement of financial position as at 30 June 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by those charged with governance.

In our opinion, the accompanying financial report presents fairly, in all material respects, (or gives a true and fair view of) the financial position of the Entity as at 30 June 2017, and (of) its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the Entity's annual report for the year ended 30 June 2017, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
